

TEST REPORT FOR APRIL 2022 TO MARCH 2023

Lac St Louis region ran 13 test sessions in this period. all with club and centralized combined. See below for the details of locations and number of tests taken. Thank you to all the clubs that donated their ice and included skaters from all clubs. We have had success in managing to run club test sessions at the same time as centralized, as most clubs do not have enough tests for them to run their own session. In total we had 6 judges evaluating: Isabelle Pilon, Isabelle Paris, Claudia Baron, Sandra Moretti, Stephanie Fontaine, and Louise Perrier.
